We can answer your questions, offer support and advice for your business, and provide expert guidance Our business experts and technicians are always available to answer your questions, offer complete support and advice for your business and software, and provide expert guidance through changes that can impact on you and your business. SageCover Extra: All the benefits of SageCover Online plus Priority telephone support Remote support for immediate assistance Data Repair Call back Advice webinars and more.

The screenshot shows the Sage 50 Accounts software interface. On the left, there's a vertical sidebar with the 'Sage 50 Accounts' logo and a circular icon. The main area has a green header bar with the text 'Accounts'. Below the header, there's a green sidebar with the text 'How to grow your business' and a bulleted list: 'Stop struggling to manage your profit and loss, cash flow and', 'Flexible, automated reporting', 'Work in real-time with your accountant and colleagues', and 'Have 24/7 access to expert online SageCover support'. The main content area has a large green text overlay that reads: 'Market-leading accounts software for small to medium sized businesses who need complete control and confidence in their business'.
