**Date:** 2018-04-10 16:37:27

**Expiration Date:** 0000-00-00 00:00:00

## Description

Google Analytics (GA) is a service offered by Google that generates detailed statistics about the visits to a website. The product is aimed at marketers and is the most widely used website statistics service. GA can track visitors from all referrers, including search engines, display advertising, pay-per-click networks, e-mail marketing and digital collateral such as links within PDF documents.
