Cathedral Dental is a Private Dental Clinic in Bury St Edmunds, known for great clinical results. With a team of 20 professionals, we blend our creativity and clinical skills to get great results for our patients, and we do it all from our award-winning practice. We always believe in providing a WOW service for our patients – from the moment they walk through the door, to the treatments we offer, the care we provide, and the smiles we create. Treatments at Cathedral Dental include general and cosmetic dentistry such as bi-annual check-ups, dental hygiene, root canal treatments, sinus lifts, dental implants, composite bonding, teeth whitening and veneers. We're also one of the top providers of Diamond Apex Invisalign® in Bury St Edmunds. This ensures your journey to a straighter smile is smooth and enjoyable. Our commitment to putting the patient first means, in case of emergencies, the patients can book an urgent appointment with our Saturday Dentist in Bury St Edmunds. We offer evening and weekend appointments, as well as a practice payment plan to help patients spread the cost of treatment.
